# CHITTAGONG INDEPENDENT UNIVERSITY

## About Us

Chittagong Independent University (CIU) is not only a name but a brand in providing quality education in Bangladesh. It has been serving as a center of excellence in higher education since its inception as a campus of IUB in Chittagong from 1999. Under the Private University Act-2010, it became a full-fledged university under the same management on 6th February 2013. Strong commitment of the professional faculty members and excellence in the education system have made the CIU a learning friendly institution.

### Message

CIU is a prominent name in Bangladeshi higher education, starting as an IUB campus in Chittagong in 1999 and becoming a full-fledged university in 2013 under the Education, Science, Technology and Cultural Development Trust (ESTCDT). ESTCDT, established in 1992, aims to elevate Bangladesh's higher education to global standards. Renowned for its professional faculty and excellent education system, CIU graduates find employment locally and internationally, and gain admission to prestigious universities abroad. CIU's unique features include a North American curriculum, open credit system, advanced labs and library, campus-wide WiFi, e-resources, LFE (Live in-Field Experience), and 100% scholarships for meritorious and financially disadvantaged students, along with quotas for tribal students and wards of freedom fighters, campus employment, and diverse extracurricular activities. Prospective students and their guardians are invited to visit CIU, explore the campus, and meet the dedicated faculty members.

**-Professor Dr. M M Nurul Absar**  
Vice Chancellor, CIU

## Vision

Chittagong Independent University aspires to become a premier institution delivering transformative higher education and research to support sustainable economic growth in the country while ensuring a mutual relationship with local, national, and global communities.

# DISTINGUISHED FEATURES

## Outstanding teaching:

CIU is known for consistently providing outstanding teaching with the best faculty pool in Chattogram. Our faculty members are dedicated to achieving excellence in both teaching and research. We boast to have a group of distinguished scholars and emerging talents, who stand among the best in Bangladesh.

## Free Remedial English Language Classess

Remedial English Language classes are dedicated for students who want to improve their English skills.

## Live-in-Field Experience (LFE):

The LFE is a unique course offered by CIU under which the students gain firsthand knowledge about the society, industry and economy as a whole of Bangladesh. The idea is to impress the young minds with the socio-economic realities of Bangladesh so that they know how the great majority of our people live and earn; how the industries operate, create employment opportunities and add value.

## University Collaboration:

The university has established collaborations with top universities and institutions at home and abroad.

## Extra-curricular Activities:

Through many school-based clubs, CIU students learn how to function within a team, learn to be innovative and discover their hidden potential.

## State-of-the-art Campus Facilities:

CIU provides students with modern library, classrooms, labs, study areas and common rooms for a fulfilling student experience.

# CHOOSE CIU FOR:

## Our philosophy

We prepare and empower you to succeed in a dynamic and changing world.

## Our location

We are located at Jamal Khan, the educational Hub of Chattogram.

## Our support

Our approach is personal; we support you throughout your academic journey at CIU at every stage.

## Your individuality

Our students are our number one priority. We treat our students as unique individuals. You're a name, not a number.

## Your future

Employability is not just a buzzword for us—it's a fundamental aspect of our educational mission, embedded in everything we do. Gain work-experience and build your resume through our on-campus job opportunities.
