Date: 01 August 2021

Notice

COVID-19 Vaccination for the Students

Dear Students,

Hope you all are staying safe and protected.

As you all know, the university students are included in the COVID-19 vaccination process but Government has not yet made it open for all. We have already sent a list of the CIU students to the respective government offices to make you eligible to register for the vaccination.

Please note that all the students will have to complete their vaccination registration at Surokkha Website: <https://surokkha.gov.bd> by themselves. However, we will let you know when the government opens the registration process for you.

For any issue with the registration students can contact through this
E-mail: registrar@ciu.edu.bd.

Anjuman Banu Lima

Acting Registrar

(On instruction of the authority)
